B073

I'd always had the hots for my bff's sexy husband

MAMA MIA

I guess I've had the hots for my best friend's husband since the day we met.

Henry isn't what you'd call a stud, but he is the nicest person I know. He's handsome in his own way but isn't the type to even look at a woman other than his wife. Unfortunately, my bestie Vivian sees sex as a duty that she must perform—and puts as much enthusiasm into it as she does into vacuuming the rug.

I've known that their sex life was at best mediocre for years, so it came as no surprise to find that nothing had changed when I arrived for my last visit. Viv may be an ice queen, but she certainly didn't get it from being around me. I have always had a very active sex life. As a matter of fact, I boarded the plane to make the trip with my pussy full of his cum.

I was dressed and ready to go,

when my husband Fred decided that he had to give me a special goodbye. So I leaned over the dresser and hiked up my skirt while my horny husband mounted me from behind and shoved his red-hot poker into my pussy until I screamed for mercy.

My pussy was still tingling when the plane took off. I found myself wishing that I was back at home with my man before the plane was halfway to its destination. I was somewhat consoled by the fact my overnight case contained my trusty vibrator. Two days without Fred's cock and I'd begin climbing the walls.

The dildo was a gift from my hubby. He travels a lot and knows how horny I get. Like I said, he's a beautiful man. I arrived on Wednesday. By the following Saturday, I was ready to scream. Viv was with me constantly. I ached to sneak off and use my vibrator but it was impossible. That's why

I was so happy when she informed me that she had to work that Saturday at some kind of charity bazaar.

She tried her best to get me to come along, but I managed to convince her that I needed a little time to myself. Henry is a mechanic and works on Saturday, so I had the house to myself. I had a naughty plan. Just thinking about it had my pussy leaking like a faucet. So, less than an hour after Vivian and Henry cleared out, I grabbed my vibrator, took it into the living room, and called my husband.

The phone rang at least a half dozen times before a sleepy voice answered, "Hello." I flicked the switch on my vibrator and held it close to the phone. A surprised gasp came over the phone. He loves phone sex and the familiar buzz told him instantly what I wanted. "Is it hard yet?" I whispered.

"What do you mean, yet?" he grunted, "It's been that way since you left." A shiver ran up my spine as I pictured my horny husband sitting on the edge of the bed with his big stiff cock sticking out of the front of his pajamas. "Are you holding it yet?" I asked, barely able to control the trembling in my voice. My pussy ached to feel the buzzing toy, but I waited. Fred likes to talk me through it, one step at a time.

"Yes!" he gasped. "Are you ready?" "Ummm," I sighed as I allowed my fingers to gently stroke my excited clit. "Rub it on your big beautiful tits," he ordered. "Tell me how it feels. I want to know when your nipples get hard."

I closed my eyes and moved the vibrator in tiny circles on my boobs. In my mind I could see Fred pounding his big hard cock faster and faster while I told him exactly what was happening. "Put it between your legs," he gasped. "Hurry. I want you to come with me. "I pushed the long silver blue toy into my wet ready pussy in one swift motion. I moaned as the plastic dick sent ripples of pleasure over my body.

Suddenly, a shadow fell across my hand as I slid the beautiful toy in and out of my pussy. It was Henry. He was standing in the doorway. His tongue and his cock were both hanging out. I was embarrassed, but at the same time it excited me to have

my bestie's husband watch me masturbate. Our eyes met for an instant. I licked my lips and motioned with my head for him to come closer. Meanwhile my husband was moving ever nearer to his orgasm.

Henry walked over to the edge of the sofa and stopped. His cock was only inches from my mouth. His gaze was fixed on my pussy as I rammed the dildo rapidly in and out.

I leaned forward, unzipped his pants and kissed the tip of my son-in-law's prick. I lapped up the pre-cum as it oozed from the slit in the purple, velvet cockhead. The combination of my husband's voice and Henry's twitching cock was too much.

I flung my legs wide open and screamed as the best orgasm of my life wracked my body. "Yes! Come with me, Freddie!" I groaned as my pussy exploded. Fred put the receiver between his legs and let me listen to

the squishing sound as he pumped his dick until the phone was covered with his jism. I could hear his panting in the background.

Henry stood there with his dick dancing in mid-air, gaping at me while I moaned and groaned and came like crazy. Then something amazing happened. Henry thrust his hips forward and started coming. His cock jumped each time a glob of his slippery hot cum squirted from the pulsating head of his big dick. His jism burned my flesh as it splashed against my ample tits, belly, and even my face. Two horny men coming at the same time blew my mind.

I thought I would never stop shivering as the orgasms rattled my body. As soon as my husband calmed down, I said goodbye and turned my attention to my Henry. He was still standing there with his head hanging down, obviously embarrassed, but unable to move. But in spite of his embarrassment, his dick was still hard. I leaned forward and licked the last drop of cum from the tip of his dick. He shivered and put his hand on my head.

"It's okay," I assured him. "No one but us will ever know. Besides, I've wanted you for a long time," I admitted. My confession brought a surprised look to his face. "Me, too," he mumbled, blushing as he said it. I felt a warm glow between my legs at the idea of Viv's hubby wanting me.

Suddenly I knew that I had to feel his dick between my legs. But, I had to go slowly.

He was like a frightened animal. One wrong move and he might run. Since my body was still a sticky mess from his cum, I decided to use it to my advantage. I took a couple of tissues from the box on the coffee table and handed them to Henry. "Help me clean up," I whispered. He grinned sheepishly and with trembling hands reached out and wiped his jism from my chin. Then he moved down to what he'd been staring at – my boobs.

My nipples stiffened under his gentle touch. "Kiss them if you'd like," I offered, barely able to catch my breath. He leaned over and took one of my sensitive nubs between his lips and sucked it tenderly. I reached out and cupped his balls in the palm of my hand. His cock throbbed under my touch, sending shockwaves straight to my pussy. He sucked my tits until I was ready to scream, before he finally pulled his mouth away and knelt between my legs to finish his cleaning job.

My thighs were covered with his sticky stuff. As he wiped the tender insides of my thighs, the back of his hand teased my quivering pussy lips. I nearly came again just from the feeling of his rough hands against my slick slit. "If you keep that up, you're

gonna make me come," I gasped, unable to behave any longer.

He didn't answer, but instead put his lips on my knee and began kissing his way up my thighs. I lifted my legs and put them on his big shoulders. My pussy was open, wet

and waiting as he inched ever nearer. "Kiss my pussy," I moaned. "Make me come with your mouth," I begged, as his lips pressed against my quivering hole. I enjoyed his wicked tongue for as long as I could before I finally pushed him away.

He looked confused. "Why don't you put your dick inside me?" I suggested. "We don't have to fuck if you don't want to. Just put it in for a little while," I lied, knowing that if I ever got his cock inside of my hungry pussy I was going to fuck his brains out. "Can I put it in from the rear?" he mumbled.

My answer was to roll off of the couch and lean my elbows against it while I wiggled my ass at his hungry eyes. I opened my legs as far as they would go and held my breath as I waited for his big cock to enter my ready box. He put his hands on my hips and pushed his eager rod into my slippery slit in one stroke. It stretched my trembling lady-sex to the max. I could feel the exact shape of his thick shaft and bulging cockhead as it tantalized the walls of my pussy.

He managed to fuck me for a surprisingly long time before he stiffened, bellowed like a bull, and filled my pussy with his boiling seed. I felt every spurt as it splattered against the walls of my quivering pussy. It was the best orgasm I can remember. He left his dick inside of my slippery hole until it shriveled back to normal and slipped out with a

slurping sound.

By the time Vivian returned, we had recovered. I was reading and Henry was watching TV. Of course what she didn't know was that less than ten minutes before, her husband had given me a load of his cum in my mouth during the half-time of the game. I had to stifle a smile when Vivian asked me if I'd eaten yet. The sweet taste of cum was still in my mouth.

Of course, neither my husband or his wife will ever know about our little secret.

It's the sum of everything that determines how the world interacts with and experiences Kynect. That's why we put our best foot forward to showcase who we are consistently in everything we do.

TRUVVI – Awesome discounts on hotels and unpublished rates on other travel essentials, plus cash back from your favorite merchants.

ENERGY – Competitive rates and straight-forward electric and natural gas plans from a trusted energy provider.

PROTECTIVE – A suite of services that safeguard you from the unexpected, including Virtual MD, roadside assistance and identity theft protection.

WIRELESS – Unlimited wireless plans, blazing-fast data, international options and so much more at prices you'll love. No long-term contracts required.

JOIN & LET'S START SOMETHING TOGETHER

A community, not a corporation, dedicated to connecting people to something bigger than themselves. We know, we know...that's bold. But ask around. People start a Kynect business to make extra money; they stay because they're transformed by the family they find here. They stay because they're given the opportunity to help others pursue their passions, big and small.

Tens of thousands of lives have been given deeper meaning through the Kynect opportunity. Yours could be next. www.blair.wekynect.com

Eve

Lee was hanging out poolside at a Vegas resort when he noticed super busty Eve there, too. They began talking and she told him she had not had sex for months while she was in training. After talking for a while, they go back to his room and get naughty and nasty.

THE LANGUAGE OF LUST

ALWAYS A LADY

I would like to take a minute to comment on men who feel a need to trash a lady's behavior.

First I would like to say that I have been fortunate enough to have been in the position most of my life to have traveled the world extensively. In so doing I have been around the block a few times. Never, but never, will I ever look down my nose and bad mouth a lady because she likes to fuck.

Just because she likes to fuck her brains out and suck cock doesn't make her any less a lady in my book. If it's going to be bad for the ladies, it's also equally as bad for the men. Where a big improvement could be made on the parts of both men and women is to be more selective in who they fuck around with.

Disease is what scares me, for if I don't know anything about the lady and how she operates I won't fuck her till I do. How am I to know if and who was fucking her the night before, or the night before that? Or how is she to know where this dude had his cock the night before?

In short, if it's bad for one, it's bad for the other.

To make a point, a woman that's a divorcee lives in the same apartment complex that I live in is a legal secretary. We have known each other for quite a long time. Last evening when she got home she stopped by my apartment. As we talked she seemed unable to relax. I asked her what seemed to be the problem because she couldn't sit still.

We know each other well enough that we don't have to beat around the bush and she said, "I guess it's nothing more than needing to get laid." She knows in her own mind that I don't go sticking my cock in every cunt that comes along and try to be as selective as possible, and I know she doesn't either. Nobody, but nobody, likes to eat pussy and fuck any more than I do.

In about 10 minutes I had her skirt up to her waist, her bikini panties on the coffee table, and both her legs over my shoulders eating some of the sweetest pussy imaginable. She was going nuts! I just shoved my pants down to my knees and slipped my thick six into her she

Nobody, but nobody, likes to eat pussy and fuck any more than I do

whispered, "You feel so good and God how I love to fuck." In short order she was starting to cum in rapid succession.

I didn't last long till I emptied my nuts in her and I was still hard. The second time took about a half an hour and I emptied my nuts in her pussy again. When we got off the couch there was a nice pool of cum where she had leaked. We showered together, watched some TV and went out to dinner. When we arrived back we started kissing, she unzipped my pants and sucked the living daylight out of me till I filled her mouth with cum.

So here is a dude and a chick who knows each other pretty well that sucked and fucked. Does that make her any less of a lady? If it does, then it makes me just as cheap if we had just met each other it would be a case of not caring about ourselves in general or, a low opinion of our own selves.

PROMOTIONAL SUCK

Last week my husband Ted was promoted to the position of District Manager of Sales at the company he works for, and given a big advance in salary, as well. Ted does not know it, but I got him that promotion.

He has been with the company for 10 years, and has been faithful, but two other men were being seriously considered for the job, too. But Ted had something good going for him: a pretty and well-built young blonde wife who believes in a woman helping her husband get ahead in the world.

He had been on pins and needles for weeks as the time for the choice drew closer and closer. The president of the company, Mr. B., has always had the hots for me, and I knew it. We had him over for dinner several times, and the poor guy could not keep his eyes off me. A couple of days before the choice was to be made I dropped in at the office to see my husband about something, and he was really worried. On the way out I stopped at Mr. B.'s office.

"Mr. B., Ted is qualified for the job, and we both know it," I began, standing by the desk.

"Liz, your husband is being considered for the promotion, but I still have to decide whether..."

"I'll put my cards on the table, Mr. B.," I interrupted him, giving him my sexiest smile. "I'll make you a deal. You give me your solemn word that Ted will get the promotion now, and I'll come back here this evening and do my best to suck the head off your dick, and you can squirt all you want, including into my mouth. What do you say?"

He stood up, his face red, his eyes bulging, and then sank weakly back down again. He nodded, wheezing at me. He nodded hard a second time. "Good," I said sweetly. "Go back on your word, and I'll see you castrated." I turned away.

"Later, baby."

After the offices had closed down that evening I made an excuse to Ted, and left. I drove downtown and parked around the corner from the office. Mr. B.

enthralled at sucking his dick.

I did not feel that I owed Mr. B. a damned thing except my end of the bargain. Ted had worked faithfully for him for 10 years, and had a promotion com-

was waiting for me just inside, the lights all turned out. He let me in, and led me quickly along the hallway to his office which was still well lit. His hands were all over me, trembling.

I pushed him back against the front of his desk and knelt in front of him. I just love to suck Teddy's cock and make him come, but the thought of doing it to another man has never appealed to me. But this was business. I drew down the zipper of his fly and lifted out his hard little dick.

He was muttering something down to me as I took the head into my mouth. I gave it a firm suck and it surged upward stiffly. Then his knees nearly buckled under him, and I felt a weird satisfaction. I began to work my head to and fro, sucking hard on it at the same time, my hands clutching his hips. I was putting on my act for him, too, moaning softly, oohing and aahing through my nostrils. He was eating it up, convinced that I was utterly

ing to him, was one of the most brilliant executives there.

I was still thinking that when Mr. B. stiffened, his fingers clawing at my blonde head. He choked once, then his prick gave a jerk, and semen dripped into my mouth. It jerked two or three more times, then stopped and began to wilt.

I let it slip from my lips and rose, smiling at him, tucking it back into his pants, drawing up the zipper. He grinned back at me, his face even redder, sweatier, and his breath wheezing in and out of his lungs. "I was going to kiss you, but maybe I'd better not now, if you know what I mean," he said.

"That's fine with me, Mr. B.," I replied, still smiling. "Remember our deal." I turned and left.

I made it to my car, then paused and vomited quietly.

A few days later Ted came home beaming happily. He had been picked for the promotion! He was the new District Manager of Sales!

DINNER AND A FUCK

Murray, my current husband, and I have been together for almost six years, happily married, no kids yet, and for the first couple of years of marriage enjoyed some fairly conventional sex. During the last couple years we talked more and more freely about it and realized that we both had fantasies that were not sharing with the other. We made a pact that we would make an effort to help each other fulfill some of them. We'd start out safe at first, and then we'd ramp up the excitement level and make our love lives more interesting and fulfilling.

To that end, we went out to dinner at a nice Korean restaurant. Murray asked, then demanded, that I put on a short, tight skirt, boots and a sweater. The sweater was the type that most women would wear with a cami or undershirt, but he told me not to. It gets cold in Chicago in November, but the air was refreshing on my bare nipples that poked through the holes in the sweater. We warmed up at the restaurant and enjoyed our dinner, but about half way through our meal I saw his face change. He looked at me like he wanted me, no needed me; it's the look that makes my stomach tighten up with anticipation. He told me to flash him right there at the table. We were in the back of the restaurant but it wasn't that big. The bar area was opposite me and as I lifted my sweater, the bar tender definitely saw me do it but I didn't see if anyone else had.

Momentarily, I felt like a slut, but looking into his eyes, I didn't care. His look told me that I was his slut, and he wanted people to know it. He told me to do it again, but he also wanted me to pinch my nipples so they were harder. As I found them through the holes in the sweater, I noticed our waitress saw me doing it as she was bringing our check. She was a cute brunette with big tits

and a big, round ass just like mine. Murray likes big boobs and said that was one reason he married me. I found myself attracted to her and stroked my nipples while holding her gaze. If she didn't look scared, I was going to invite her home with us. When she

his cock push harder and harder against the back of my throat. He loves to make me choke and he did it then, and for a minute I was afraid my delicious dinner would come back up, but it didn't. Suddenly he picked me up and bent me over with my hands

handed my husband the bill, she avoided looking directly at me. Clearly she was uncomfortable, and probably not open to the idea. My husband paid for the meal, and ordered me to stand up, he was clearly ready to go, when we stood up, I went to adjust my skirt, and he ordered me to stop. We walked out of the restaurant with my skirt riding up high enough to see the bottom of my butt cheeks and my nipples were still pushing through my sweater.

I love when he takes control. I never know what he's going to do next, or tell me what to do next and the anticipation makes me so wet. As we were walking to the car, I had millions of possibilities running through my mind but was not prepared for his decision. We were parked in a parking garage on the first level; from the car you could see the entrance to the parking garage, office building windows and the street. He looked at me, bit his lip, and tore off my skirt. He pushed me down to my knees and forced me to suck his hard cock.

I have come to love sucking my husband's dick. It's sensing his body react, feeling

on the car. When he bent me over, I had no choice but I wouldn't have had it any other way. I love it when he hits it from the back, because I think I can feel his cock all the way up to my stomach.

My naked ass was in the air, and he was pounding into me. We heard a loud engine noise approaching but neither of us wanted to stop. In fact, the idea of someone seeing us with me bent over by my gorgeous husband turned me on even more. I started to moan. He was stroking it so well. I busted all over him right as the car went by. My husband started to stroke even harder, pinching my nipples. This went on for a few more minutes, and as I felt another orgasm building within me, I couldn't hold it off anymore. I begged him to let me cum. As usual, we timed it perfectly as I felt my body explode in waves of pleasure. I felt his hot cum shoot into me, relieving the tension even further. My orgasm lasted for a couple minutes. I was so spent by the end of it that he had to pick me up and put me in the car.
